

International
Women's Day

WOMEN IN GAMING
& HOSPITALITY
AUSTRALASIA

HOW YOU CAN CELEBRATE INTERNATIONAL WOMEN'S DAY

1 Complete the Women in Gaming & Hospitality Australasia Industry Survey. We are better placed to #ChooseToChallenge if we know the actual and perceived barriers to entry, retention and advancement of women in the gaming & hospitality industry. We need all voices, at all levels, and all genders to complete the survey. Your views are completely anonymous and you can go into the draw to win \$100 gift voucher (AUD/NZD)

2 Forward this page to two colleagues, one male and one female. Ask them to do the WGHA survey.

3 Promote International Women's Day in your workplace by wearing something purple. Use it as a conversation starter as to why you are celebrating IWD2021

4 Post an appreciation of someone who has supported you or inspired you with the hashtags #ChooseToChallenge #WGHA

5 Commit to an action for gender equality and share this on social media. Commitments might include:

- Ensuring gender balance in meetings, making sure all employees are provided with an opportunity to contribute, and that women are not spoken over.
- Calling out discriminative behaviour in the workplace.
- Giving credit to women.
- Upskilling on unconscious bias and how it affects behaviour in the workplace.
- Attend a virtual event to celebrate women's achievements and learn about Gender Equality . For example www.ahri.com.au/international-womens-day
